

FULL SERVICE COOLERS BY SINEBRYCHOFF

Do you need a cooler at your work or office which is always full of good beverages? Or, do you need a vending machine at your workplace to buy cold beverages from?

Full Service Coolers

Our full service coolers are the best solution for offering cold and fresh beverages around the clock to refresh the day of your personnel or customers.

- The most wanted brands
- We look after filling the cooler
- No storage room needed, no minimum quantities for orders, not even making of orders
- We clear away the empties and pay you the deposit
- Wide selection of coolers without charge
- Our service also suits for smaller enterprises as we do not demand a minimum quantity for deliveries and we do not charge extra costs even for small deliveries. You only pay for what goes in the cooler.

Contact us and tell us where you wish to order a cooler with beverages. We see to filling and maintenance, and clearing away the empties.
